- B. Pursuant to Section 32-1-903(5), C.R.S., “location” means the physical, telephonic, electronic, or virtual place, or a combination of such means where a meeting can be attended. “Meeting” has the same meaning as set forth in Section 24-6-402(1)(b), C.R.S., and means any kind of gathering, convened to discuss public business, in person, by telephone, electronically, or by other means of communication.
- C. Pursuant to Section 24-6-402(2)(c)(I), C.R.S., special districts are required to designate annually at the board of directors of the district’s first regular meeting of each calendar year, the public place at which notice of the date, time and location of regular and special meetings (“**Notice of Meeting**”) will be physically posted at least 24 hours prior to each meeting (“**Designated Public Place**”). A special district is deemed to have given full and timely notice of a regular or special meeting if it posts its Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- D. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., special districts are relieved of the requirement to post the Notice of Meeting at the Designated Public Place, and are deemed to have given full and timely notice of a public meeting if a special district posts the Notice of Meeting online on a public website of the special district (“**District Website**”) at least 24 hours prior to each regular and special meeting.
- E. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., if a special district is unable to post a Notice of Meeting on the District Website at least 24 hours prior to the meeting due to exigent or emergency circumstances, then it must physically post the Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- F. Pursuant to Section 32-1-903(1.5), C.R.S., all meetings of the board that are held solely at physical locations must be held at physical locations that are within the boundaries of the district or that are within the boundaries of any county in which the district is located, in whole or in part, or in any county so long as the physical location does not exceed twenty (20) miles from the district boundaries unless such provision is waived.
- G. SUPPLEMENTARY INFORMATION

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Prairie Center Metropolitan District No. 1 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on August 14, 1985. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

On November 7, 2000, the District's voters authorized total indebtedness of \$113,000,000 for construction of public improvements and operations and maintenance expenditures and \$113,000,000 for debt refunding. Legal counsel has advised the Board that because of the length of time that has passed since the 2000 authorization, they should not rely upon the validity of the 2000 authorization with respect to unissued debt. The Board has adopted this position and does not consider the 2000 authorization to be valid with respect to unissued debt.

On November 2, 2004, the District's voters authorized an additional total indebtedness of \$1,350,000,000 for construction of public improvements and operations and maintenance expenditures. The District's voters also authorized an additional total indebtedness of \$150,000,000 for debt refunding, and \$300,000,000 each for intergovernmental agreements and for multiple fiscal year obligations. Additionally, on November 2, 2004, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by the District to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 (using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material).

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (Continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Expenditures

General and Administrative Expenditures

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the costs of services necessary to maintain the District's administrative viability such as accounting, managerial, insurance, and other administrative expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfer to Prairie Center Metropolitan District No. 3

The Boards of District Nos. 1 and 3 have determined that it is in the respective Districts' best interest that District No. 1 impose 60.000 mills and remit the revenues, net of fees and administrative expenditures, to District No. 3 as consideration for the benefits derived from the public improvements constructed, operated and maintained by District No. 3 which benefit the service area.

Debt and Leases

The District has no outstanding debt, nor any operating or capital leases.

Reserves

Emergency Reserve

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2021, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

Prairie Center Metropolitan District No. 1
c/o CliftonLarsonAllen LLP
8390 E. Crescent Pkwy, Suite 300
Greenwood Village, CO 80111

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 1 (“Client”) for the year ended December 31, 2021. This letter, together with the attached Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and are collectively referred to herein as the “Letter” or the “Engagement Letter”.

Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$2,000. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2021, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

Engagement Partner

Greg Livin will be your audit engagement partner.

Other Services

We may prepare (or assist in preparing) Client financial statements in conformity with GAAP based on information provided by management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or work. Wipfli provides fee estimates as an accommodation to Client. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

7. Privacy and Engagement Staffing

Wipfli expressly reserves the right to replace, in its sole discretion upon notice to Client, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned Indian subsidiary and contractors in the Philippines) or any of their respective affiliates. These entities and their personnel may be located within or outside the United States. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client’s information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

If, during the course of Wipfli’s engagement, Wipfli determines that more work will be required than initially estimated, Wipfli will discuss, as soon as possible, the reasons with Client. Work that falls outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order. Service completion times are estimated and subject to change. Where applicable, all such estimates assume that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Such estimates also include necessary and reasonable cooperation from client personnel.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information (“Personal Data”) and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the engagement letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the engagement letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or professional standards. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the services will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

4. Fees

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, work may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue work in the event of a failure to pay on a timely basis for services rendered as required. Any use of this material, other than for the stated purposes in this Engagement Letter, is not authorized. In addition, Client shall not alter or remove any of Wipfli's trademarks, copyright registration marks, patent, or other intellectual property notices applicable to any of Wipfli's goods, marketing material, or advertising media, and shall not in any way alter any of Wipfli's products. Client shall promptly notify Wipfli in writing of any infringement of Wipfli's intellectual property by third parties of which Client becomes aware. Neither party shall acquire any right, title, or interest in or to the other party's code, data, business processes, or other information to which such party may have access during the term of the engagement hereunder. All such code, data, business process and other information shall be solely and exclusively the property of the originating party.

10. Governing Law

All agreements between Wipfli and Client for any service shall be governed by and construed in accordance with the internal laws of the state in which the Wipfli office which issues the Engagement Letter related to the services is located.

11. Severability

12. Record Retention

We will retain records related to this engagement pursuant to our record retention policy. At the end of the relevant time period, we will destroy our records related to this engagement. When records are returned, it is Client's responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies.

13. Termination

An Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding, (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in an Engagement Letter (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of an Engagement Letter shall have no effect on either party's obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement, at our discretion, if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

14. Assignment

The Engagement Letter to which these Terms and Conditions are attached shall be binding on the parties hereto and their respective successors and assigns. Neither party may assign this Engagement Letter without prior written consent of the other, except that Wipfli may assign its rights and obligations under this Engagement Letter without the approval of Client to an entity that acquires all or substantially all of the assets of Wipfli or to any subsidiary or affiliate or successor in a merger, acquisition, or change of control of Wipfli; provided that in no event shall such assignment relieve Wipfli of its obligations under this Engagement Letter.

Prairie Center Metropolitan District No. 4
c/o CliftonLarsonAllen LLP
8390 E. Crescent Pkwy, Suite 300
Greenwood Village, CO 80111

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 4 (“Client”) for the year ended December 31, 2021. This letter, together with the attached Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and are collectively referred to herein as the “Letter” or the “Engagement Letter”.

Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$1,250. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2021, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

Management Assistance

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

Engagement Partner

Greg Livin will be your audit engagement partner.

Other Services

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Terms and Conditions – Attest Engagements

1. Entire Agreement

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendixes, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict between the Terms and Conditions and the provisions of an Engagement Letter issued by Wipfli, the Engagement Letter will apply.

2. Commencement and Term

An Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

3. Fee Estimates and Change Orders

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or work. Wipfli provides fee estimates as an accommodation to Client. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

If, during the course of Wipfli’s engagement, Wipfli determines that more work will be required than initially estimated, Wipfli will discuss, as soon as possible, the reasons with Client. Work that falls outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order. Service completion times are estimated and subject to change. Where applicable, all such estimates assume that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Such estimates also include necessary and reasonable cooperation from client personnel.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the services will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

4. Fees

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, work may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue work in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops work or withdraws from this engagement as a result of

Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli will not be liable to Client for any damages that occur as a result of our ceasing to render services.

In the event Client requests us to, or we are required to, respond to a subpoena, court order, government regulatory inquiries, or other legal process against Client or management for the production of documents and/or testimony relative to information Wipfli obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs that we incur.

5. Independent Contractor

The relationship between Wipfli and Client is solely and exclusively that of independently contracting parties.

6. Non-Exclusivity

No right of exclusivity is granted, guaranteed, or implied by Wipfli and Client entering into any Engagement Letter. Client acknowledges that Wipfli regularly performs the same or similar services as are being provided hereunder to third parties.

7. Privacy and Engagement Staffing

Wipfli expressly reserves the right to replace, in its sole discretion upon notice to Client, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned Indian subsidiary and contractors in the Philippines) or any of their respective affiliates. These entities and their personnel may be located within or outside the United States. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client’s information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information (“Personal Data”) and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the engagement letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the engagement letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or professional standards. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes.

Termination of an Engagement Letter shall have no effect on either party's obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement, at our discretion, if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Prairie Center Metropolitan District No. 1 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on August 14, 1985. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

On November 7, 2000, the District's voters authorized total indebtedness of \$113,000,000 for construction of public improvements and operations and maintenance expenditures and \$113,000,000 for debt refunding. Legal counsel has advised the Board that because of the length of time that has passed since the 2000 authorization, they should not rely upon the validity of the 2000 authorization with respect to unissued debt. The Board has adopted this position and does not consider the 2000 authorization to be valid with respect to unissued debt.

On November 2, 2004, the District's voters authorized an additional total indebtedness of \$1,350,000,000 for construction of public improvements and operations and maintenance expenditures. The District's voters also authorized an additional total indebtedness of \$150,000,000 for debt refunding, and \$300,000,000 each for intergovernmental agreements and for multiple fiscal year obligations. Additionally, on November 2, 2004, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by the District to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 (using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material).

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (Continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Expenditures

General and Administrative Expenditures

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the costs of services necessary to maintain the District's administrative viability such as accounting, managerial, insurance, and other administrative expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfer to Prairie Center Metropolitan District No. 3

The Boards of District Nos. 1 and 3 have determined that it is in the respective Districts' best interest that District No. 1 impose 60.000 mills and remit the revenues, net of fees and administrative expenditures, to District No. 3 as consideration for the benefits derived from the public improvements constructed, operated and maintained by District No. 3 which benefit the service area.

Debt and Leases

The District has no outstanding debt, nor any operating or capital leases.

Reserves

Emergency Reserve

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2022, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Prairie Center Metropolitan District No. 4 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 5, 6, 7, 8, 9 and 10.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Revenues – (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfer to Prairie Center Metropolitan District No. 3

Pursuant to a Capital Pledge Agreement with Prairie Center Metropolitan District No. 3 (Operating District), the District is obligated to impose annually in each of the years 2006-2030 a mill levy of 25.000 mills, subject to certain adjustments, and remit property tax revenues derived from such mill levy, together with facilities fees and a portion of specific ownership taxes, to the Operating District to pay for the principal and interest on bonds issued by the Operating District. Further, a Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

Debt and Leases

The District has no outstanding debt, nor any operating or capital leases.

Reserves

Emergency Reserve

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2022, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.
