## RESOLUTION NO. 2023-12-01

### RESOLUTION OF THE BOARD OF DIRECTORS OF THE PRAIRIE CENTER METROPOLITAN DISTRICT NO. 10 ESTABLISHING REGULAR MEETING DATES, TIME, AND LOCATION, AND DESIGNATING LOCATION FOR POSTING OF 24-HOUR NOTICES

- A. Pursuant to Section 32-1-903(1.5), C.R.S., special districts are required to designate a schedule for regular meetings, indicating the dates, time and location of said meetings.
- B. Pursuant to Section 32-1-903(5), C.R.S., “location” means the physical, telephonic, electronic, or virtual place, or a combination of such means where a meeting can be attended. “Meeting” has the same meaning as set forth in Section 24-6-402(1)(b), C.R.S., and means any kind of gathering, convened to discuss public business, in person, by telephone, electronically, or by other means of communication.
- C. Pursuant to Section 24-6-402(2)(c)(I), C.R.S., special districts are required to designate annually at the board of directors of the district’s first regular meeting of each calendar year, the public place at which notice of the date, time and location of regular and special meetings (“**Notice of Meeting**”) will be physically posted at least 24 hours prior to each meeting (“**Designated Public Place**”). A special district is deemed to have given full and timely notice of a regular or special meeting if it posts its Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- D. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., special districts are relieved of the requirement to post the Notice of Meeting at the Designated Public Place, and are deemed to have given full and timely notice of a public meeting if a special district posts the Notice of Meeting online on a public website of the special district (“**District Website**”) at least 24 hours prior to each regular and special meeting.
- E. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., if a special district is unable to post a Notice of Meeting on the District Website at least 24 hours prior to the meeting due to exigent or emergency circumstances, then it must physically post the Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- F. Pursuant to Section 32-1-903(1.5), C.R.S., all meetings of the board that are held solely at physical locations must be held at physical locations that are within the boundaries of the district or that are within the boundaries of any county in which the district is located, in whole or in part, or in any county so long as the physical location does not exceed twenty (20) miles from the district boundaries unless such provision is waived.
- G. The provisions of Section 32-1-903(1.5), C.R.S., may be waived if: (1) the proposed change of the physical location of a meeting of the board appears on the agenda of a meeting; and (2) a resolution is adopted by the board stating the reason for which meetings of the board are to be held in a physical location other than under Section 32-1-903(1.5), C.R.S., and further stating the date, time and physical location of such meeting.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Prairie Center Metropolitan District No. 10 (the “**District**”), Adams County, Colorado:

1. That the provisions of Section 32-1-903(1.5), C.R.S., be waived pursuant to the adoption of this Resolution.

2. That the Board of Directors (the “**District Board**”) has determined that conducting meetings at a physical location pursuant to Section 32-1-903(1.5), C.R.S., would be inconvenient and costly for the directors and consultants of the District in that they live and/or work outside of the twenty (20) mile radius requirement.

3. That regular meetings of the District Board for the year 2024 shall be held on April \_\_, and December \_\_, 2024 at 4:00 pm, via Zoom.

4. That special meetings of the District Board shall be held as often as the needs of the District require, upon notice to each director.

5. That, until circumstances change, and a future resolution of the District Board so designates, the physical location and/or method or procedure for attending meetings of the District Board virtually (including the conference number or link) shall appear on the agenda(s) of said meetings.

6. That the residents and taxpaying electors of the District shall be given an opportunity to object to the meeting(s) physical location(s), and any such objections shall be considered by the District Board in setting future meetings.

7. That the District has established the following District Website, <https://prairiecentermd.colorado.gov>, and the Notice of Meeting of the District Board shall be posted on the District Website at least 24 hours prior to meetings pursuant to Section 24-6-402(2)(c)(III), C.R.S. and Section 32-1-903(2), C.R.S.

8. That, if the District is unable to post the Notice of Meeting on the District Website at least 24 hours prior to each meeting due to exigent or emergency circumstances, the Notice of Meeting shall be posted within the boundaries of the District at least 24 hours prior to each meeting, pursuant to Section 24-6-402(2)(c)(I) and (III), C.R.S., at the following Designated Public Place:

(a) \_\_\_\_\_

9. Special District Management Services, Inc., or his/her designee, is hereby appointed to post the above-referenced notices.

Dear Mike:

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 1 (“Client”) for the year ended December 31, 2023. This letter, together with the attached Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and is collectively referred to herein as the “Letter” or the “Engagement Letter.”

#### Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$4,000. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

#### Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2023, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

#### Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

#### Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

### Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the Board of Directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

#### Management Assistance

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

#### Engagement Administration

Greg Livin will be your audit engagement partner.

Professional and certain regulatory standards require us to be independent in both fact and appearance. Any discussions that you have with Wipfli personnel regarding employment could pose a threat to our independence. Therefore, we request that you inform us immediately prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

#### Other Services

We may prepare (or assist in preparing) Client financial statements in conformity with GAAP based on information provided by management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

#### Conclusion and Approval to Proceed

If the terms of this Engagement Letter are acceptable to you and the services outlined are in accordance with your requirements, please return a signed copy of this Letter to us.

We look forward to our continued association with you and management and appreciate the opportunity to serve you. Please do not hesitate to call us if you have any questions about the work we are to perform or any other aspect of the services we can provide.

## Professional Services Terms and Conditions – Attest Engagements

**1. Entire Agreement**

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendices and applicable Change Orders, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client and any non-disclosure or confidentiality agreement between Wipfli and Client dated prior to the date of the Engagement Letter. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), Implementation Plan, Change Orders, and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict among the express provisions of the foregoing, the Engagement Letter shall be given controlling effect. No provision of these terms and conditions will apply to any attest services that may be performed by Wipfli for Client if such provision would impair Wipfli’s independence from Client requiring pursuant to applicable professional standards, such services being governed exclusively by the Engagement Letters issued with respect thereto. Wipfli may be referred to herein as “we” or “us” or in a similar manner, and Client may be referred to as “you” or in a similar manner, and such references shall be read in context.

**2. Commencement and Term**

The Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

**3. Termination of Agreement**

The Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding, (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in the Engagement Letter or Change Order (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of the Engagement Letter shall have no effect on either party’s obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement with immediate effect if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**4. Fee Estimates and Change Orders**

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or services. Wipfli provides fee estimates as an accommodation to Client. These estimates depend on certain assumptions, including: (a) anticipated cooperation from Client personnel, (b) timely responses to our inquiries, (c) timely completion and delivery of Client assistance requests, (d) timely communication of all significant accounting and financial reporting matters, (e) the assumption that unexpected circumstances will not be encountered during the engagement, and (f) where applicable, the assumption that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

Services that fall outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order, or, if the nature and amount of such services are not material to the overall engagement, shall be delineated and included on Wipfli’s invoice for such services. A “Change Order” means a mutually agreed-upon change in the schedule or the time for Wipfli’s performance of the services on a project, the scope of specifications of a project, and/or the fees chargeable by Wipfli to Client, which is reduced to writing using an agreed-upon form that is executed by an authorized representative of each for Wipfli and Client.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the service will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; technology fees; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

**5. Payment of Fees**

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, services may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue services in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops services or withdraws from this engagement as a result of Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli shall not be liable to Client for any damages that occur whether direct or indirect, foreseen or unforeseen, and whether or not the parties have been advised of the possibility of such damages.

In the event Wipfli is required to respond to a subpoena, court order, government regulatory inquiries, or other legal process related to Client or its management (other than a matter in which Wipfli is named as a party) for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs, including attorney’s fees, that we incur. Any services under this paragraph will be deemed a separate engagement and, to the extent permitted by law and applicable professional standards, we will promptly notify you of the matter.

## Professional Services Terms and Conditions – Attest Engagements

6. Privacy and Engagement Staffing

Wipfli expressly reserves the right to replace, in its sole discretion, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. These parties and their personnel may be located within or outside the United States. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned subsidiary based in India and contractors in the Philippines) or any of their respective affiliates. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client's information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information ("Personal Data") and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the Engagement Letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the Engagement Letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or to comply with professional standards applicable to Wipfli. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes, and Wipfli may rely on the representation that Client has obtained such consents.

Please see Wipfli's Privacy Statement located at [www.wipfli.com/privacy-statement](http://www.wipfli.com/privacy-statement) for further information.

Applicable rules in some states require that we advise you that some persons who own an interest in Wipfli may not be licensed as Certified Public Accountants and may provide services related to this engagement.

7. Intellectual Property Rights

Client acknowledges that Wipfli owns all intellectual property rights, title, and interest to all materials and information produced or developed by Wipfli throughout the duration of this engagement, excluding any pre-existing ownership right of Client and without implying any ownership interest in any Client materials, data or other information, all of which shall remain the property of Client. Upon completion of the services contemplated by the Engagement Letter, Wipfli grants to Client a perpetual paid-up license to use or modify, for internal purposes only, any deliverable produced by Wipfli and actually delivered to Client, provided that any use or modification of such deliverable, other

than for the stated purposes in the Engagement Letter, is not authorized. In addition, Client shall not alter or remove any of Wipfli's trademarks, copyright registration marks, patent, or other intellectual property notices applicable to any of Wipfli's goods, marketing material, or advertising media, and shall not in any way alter any of Wipfli's products. Client shall promptly notify Wipfli in writing of any infringement of Wipfli's intellectual property by third parties of which Client becomes aware. Neither party shall acquire any right, title, or interest in or to the other party's code, data, business processes, or other information to which such party may have access during the term of the engagement hereunder. All such code, data, business process and other information shall be solely and exclusively the property of the originating party.

8. Mutual Confidentiality

During the course of performing services, the parties may have access to information that is confidential to one another, including, without limitation, source code, documentation, specifications, databases, system design, file layouts, tool combinations, development methods, or business or financial affairs, which may incorporate business methods, marketing strategies, pricing, competitor information, product development strategies and methods, customer lists, customer information, and financial results (collectively "Confidential Information"). Confidential Information may include information received from third parties, both written and oral, that each party is obligated to treat as confidential.

Confidential Information shall not include any information that (i) is already known by the recipient party or its affiliates, free of any obligation to keep it confidential, (ii) is or becomes publicly known through no wrongful act of the receiving party or its affiliates, (iii) is received by the receiving party from a third party without any restriction on confidentiality, (iv) is independently developed by the receiving party or its affiliates, (v) is disclosed to third parties by the disclosing party without any obligation of confidentiality, or (vi) is approved for release by prior written authorization of the disclosing party.

Without the advance written consent of the other party, except as required by law, regulation, or to comply with professional standards applicable to a party or for the performance of the services, neither party shall disclose to a third party Confidential Information of the other party. Each party agrees to maintain at least the same procedures regarding Confidential Information that it maintains with respect to its own Confidential Information. Each party may use the Confidential Information received from the other party only in connection with fulfilling its obligations under this Agreement. The parties further agree that expiration or termination of this Agreement, for any reason, shall not relieve either party, nor minimize their obligations with respect to Confidential Information, as set forth herein.

9. Independent Contractor

The relationship between Wipfli and Client is solely and exclusively that of independently contracting parties.

10. Non-Exclusivity

No right of exclusivity is granted, guaranteed, or implied by Wipfli and Client entering into any engagement letter. Client acknowledges that Wipfli regularly performs the same or similar services as are being provided hereunder to third parties.

11. Dispute Resolution

If any dispute arises among the parties regarding the subject matter hereof and such dispute cannot be resolved through informal negotiations and discussion, the parties agree to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its applicable rules for resolving professional accounting and related services disputes before resorting to arbitration or litigation. Costs of any mediation proceeding shall be shared equally by all parties. Except for an action by us to collect payment of our invoices, Wipfli and Client

#### 12. Governing Law

Any and all claims relating to agreements between Wipfli and Client for any service shall be governed by and construed in accordance with the internal laws of the state in which the Wipfli office which issues the Engagement Letter related to the services is located.

#### 13. Severability

In the event that any term or provision of the Engagement Letter or these Terms and Conditions shall be held to be invalid, void, or unenforceable, then the remainder shall not be affected and each remaining term or condition shall be valid and enforceable to the fullest extent permitted by law.

#### 14. Notices

All notices required to be given to either party under the Engagement Letter shall be in writing and sent by traceable carrier to each party's address indicated on the Engagement Letter, or such other address as a party may indicate by at least ten (10) business days' prior written notice to the other party. Notices shall be effective upon receipt. A copy of such notice should be provided to Wipfli's General Counsel at [wipfli-legal@wipfli.com](mailto:wipfli-legal@wipfli.com).

#### 15. Electronic Signature

Each party hereto agrees that any electronic signature of a party to the Engagement Letter or any electronic signature to a document contemplated hereby is intended to authenticate such writing and shall be as valid, and have the same force and effect, as a manual signature. Any such electronically signed document shall be deemed (i) to be "written" or "in writing," (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Each party hereto also agrees that electronic delivery of a signature to any such document (via email or otherwise) shall be as effective as manual delivery of a manual signature. For purposes hereof, "electronic signature" includes, but is not limited to: (i) a scanned copy (as a "pdf" (portable document format) or other replicating image) of a manual ink signature, (ii) an electronic copy of a traditional signature affixed to a document, (iii) a signature incorporated into a document utilizing touchscreen capabilities, or (iv) a digital signature. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

#### 16. Record Retention

We will retain records related to this engagement pursuant to our record retention policy. At the end of the relevant time period, we will destroy our records related to this engagement. However, Client's original records will be returned to Client upon the completion of the engagement. When records are returned, it is Client's responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies.

#### 17. Assignment

The Engagement Letter to which these Terms and Conditions are attached shall be binding on the parties hereto and their respective successors and assigns. Neither party may assign this Engagement Letter without prior written consent of the other, except that Wipfli may assign its rights and obligations under this Engagement Letter without the approval of Client to an entity that acquires all or substantially all of the assets of Wipfli or to any subsidiary or affiliate or successor in a merger, acquisition, or change of control

of Wipfli; provided that in no event shall such assignment relieve Wipfli of its obligations under this Engagement Letter.

#### 18. Force Majeure

Either party may suspend (or if such suspension continues for more than thirty (30) days, terminate) its obligations (except the obligation to pay for services previously rendered) under the Engagement Letter or any amendment or Change Order, if such obligations are delayed, prevented, or rendered impractical or impossible due to circumstances beyond its reasonable control, including, without limitation, fires, floods, storms, washouts, tsunamis, earthquakes, wars (declared or undeclared), civil disturbances, accidents, terrorist acts (including biochemical attacks), health pandemics, acts of any governmental body, damage to its plants and equipment, computer network problems caused by any Internet Service Provider or telecommunications company servicing Wipfli and/or Client, or acts of God or events beyond a party's control (collectively referred to herein as "Force Majeure"). Each party will use reasonable efforts to promptly minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event. In such event, the affected party will not be liable to the other for delay or failure to perform its obligations under this Engagement Letter.

Dear Mike:

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 4 (“Client”) for the year ended December 31, 2023. This letter, together with the attached Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and is collectively referred to herein as the “Letter” or the “Engagement Letter.”

#### Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$4,000. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

#### Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2023, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

#### Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry. to enable us to express such an opinion.

#### Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

### Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the Board of Directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

**Management Assistance**

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

**Engagement Administration**

Greg Livin will be your audit engagement partner.

Professional and certain regulatory standards require us to be independent in both fact and appearance. Any discussions that you have with Wipfli personnel regarding employment could pose a threat to our independence. Therefore, we request that you inform us immediately prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

**Other Services**

We may prepare (or assist in preparing) Client financial statements in conformity with GAAP based on information provided by management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

**Conclusion and Approval to Proceed**

If the terms of this Engagement Letter are acceptable to you and the services outlined are in accordance with your requirements, please return a signed copy of this Letter to us.

We look forward to our continued association with you and management and appreciate the opportunity to serve you. Please do not hesitate to call us if you have any questions about the work we are to perform or any other aspect of the services we can provide.

## Professional Services Terms and Conditions – Attest Engagements

**1. Entire Agreement**

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendixes and applicable Change Orders, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client and any non-disclosure or confidentiality agreement between Wipfli and Client dated prior to the date of the Engagement Letter. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), Implementation Plan, Change Orders, and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict among the express provisions of the foregoing, the Engagement Letter shall be given controlling effect. No provision of these terms and conditions will apply to any attest services that may be performed by Wipfli for Client if such provision would impair Wipfli’s independence from Client requiring pursuant to applicable professional standards, such services being governed exclusively by the Engagement Letters issued with respect thereto. Wipfli may be referred to herein as “we” or “us” or in a similar manner, and Client may be referred to as “you” or in a similar manner, and such references shall be read in context.

**2. Commencement and Term**

The Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

**3. Termination of Agreement**

The Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding; (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in the Engagement Letter or Change Order (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of the Engagement Letter shall have no effect on either party’s obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement with immediate effect if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**4. Fee Estimates and Change Orders**

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or services. Wipfli provides fee estimates as an accommodation to Client. These estimates depend on certain assumptions, including: (a) anticipated cooperation from Client personnel, (b) timely responses to our inquiries, (c) timely completion and delivery of Client assistance requests, (d) timely communication of all significant accounting and financial reporting matters, (e) the assumption that unexpected circumstances will not be encountered during the engagement, and (f) where applicable, the assumption that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

Services that fall outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order, or, if the nature and amount of such services are not material to the overall engagement, shall be delineated and included on Wipfli’s invoice for such services. A “Change Order” means a mutually agreed-upon change in the schedule or the time for Wipfli’s performance of the services on a project, the scope of specifications of a project, and/or the fees chargeable by Wipfli to Client, which is reduced to writing using an agreed-upon form that is executed by an authorized representative of each for Wipfli and Client.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the service will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; technology fees; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

**5. Payment of Fees**

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, services may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue services in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops services or withdraws from this engagement as a result of Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli shall not be liable to Client for any damages that occur whether direct or indirect, foreseen or unforeseen, and whether or not the parties have been advised of the possibility of such damages.

In the event Wipfli is required to respond to a subpoena, court order, government regulatory inquiries, or other legal process related to Client or its management (other than a matter in which Wipfli is named as a party) for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs, including attorney’s fees, that we incur. Any services under this paragraph will be deemed a separate engagement and, to the extent permitted by law and applicable professional standards, we will promptly notify you of the matter.

6. **Privacy and Engagement Staffing**

Wipfli expressly reserves the right to replace, in its sole discretion, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. These parties and their personnel may be located within or outside the United States. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned subsidiary based in India and contractors in the Philippines) or any of their respective affiliates. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client's information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information ("Personal Data") and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the Engagement Letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the Engagement Letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or to comply with professional standards applicable to Wipfli. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes, and Wipfli may rely on the representation that Client has obtained such consents.

Please see Wipfli's Privacy Statement located at [www.wipfli.com/privacy-statement](http://www.wipfli.com/privacy-statement) for further information.

Applicable rules in some states require that we advise you that some persons who own an interest in Wipfli may not be licensed as Certified Public Accountants and may provide services related to this engagement.

7. **Intellectual Property Rights**

Client acknowledges that Wipfli owns all intellectual property rights, title, and interest to all materials and information produced or developed by Wipfli throughout the duration of this engagement, excluding any pre-existing ownership right of Client and without implying any ownership interest in any Client materials, data or other information, all of which shall remain the property of Client. Upon completion of the services contemplated by the Engagement Letter, Wipfli grants to Client a perpetual paid-up license to use or modify, for internal purposes only, any deliverable produced by Wipfli and actually delivered to Client, provided that any use or modification of such deliverable, other

than for the stated purposes in the Engagement Letter, is not authorized. In addition, Client shall not alter or remove any of Wipfli's trademarks, copyright registration marks, patent, or other intellectual property notices applicable to any of Wipfli's goods, marketing material, or advertising media, and shall not in any way alter any of Wipfli's products. Client shall promptly notify Wipfli in writing of any infringement of Wipfli's intellectual property by third parties of which Client becomes aware. Neither party shall acquire any right, title, or interest in or to the other party's code, data, business processes, or other information to which such party may have access during the term of the engagement hereunder. All such code, data, business process and other information shall be solely and exclusively the property of the originating party.

8. **Mutual Confidentiality**

During the course of performing services, the parties may have access to information that is confidential to one another, including, without limitation, source code, documentation, specifications, databases, system design, file layouts, tool combinations, development methods, or business or financial affairs, which may incorporate business methods, marketing strategies, pricing, competitor information, product development strategies and methods, customer lists, customer information, and financial results (collectively "Confidential Information"). Confidential Information may include information received from third parties, both written and oral, that each party is obligated to treat as confidential.

Without the advance written consent of the other party, except as required by law, regulation, or to comply with professional standards applicable to a party or for the performance of the services, neither party shall disclose to a third party Confidential Information of the other party. Each party agrees to maintain at least the same procedures regarding Confidential Information that it maintains with respect to its own Confidential Information. Each party may use the Confidential Information received from the other party only in connection with fulfilling its obligations under this Agreement. The parties further agree that expiration or termination of this Agreement, for any reason, shall not relieve either party, nor minimize their obligations with respect to Confidential Information, as set forth herein.

9. **Independent Contractor**

The relationship between Wipfli and Client is solely and exclusively that of independently contracting parties.

10. **Non-Exclusivity**

No right of exclusivity is granted, guaranteed, or implied by Wipfli and Client entering into any engagement letter. Client acknowledges that Wipfli regularly performs the same or similar services as are being provided hereunder to third parties.

11. **Dispute Resolution**

If any dispute arises among the parties regarding the subject matter hereof and such dispute cannot be resolved through informal negotiations and discussion, the parties agree to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its applicable rules for resolving professional accounting and related services disputes before resorting to arbitration or litigation. Costs of any mediation proceeding shall be shared equally by all parties. Except for an action by us to collect payment of our invoices, Wipfli and Client

Each party hereto agrees that any electronic signature of a party to the Engagement Letter or any electronic signature to a document contemplated hereby is intended to authenticate such writing and shall be as valid, and have the same force and effect, as a manual signature. Any such electronically signed document shall be deemed (i) to be "written" or "in writing," (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Each party hereto also agrees that electronic delivery of a signature to any such document (via email or otherwise) shall be as effective as manual delivery of a manual signature. For purposes hereof, "electronic signature" includes, but is not limited to: (i) a scanned copy (as a "pdf" (portable document format) or other replicating image) of a manual ink signature, (ii) an electronic copy of a traditional signature affixed to a document, (iii) a signature incorporated into a document utilizing touchscreen capabilities, or (iv) a digital signature. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

We will retain records related to this engagement pursuant to our record retention policy. At the end of the relevant time period, we will destroy our records related to this engagement. However, Client's original records will be returned to Client upon the completion of the engagement. The Engagement Letter to which these Terms and Conditions are attached shall be binding on the parties hereto and their respective successors and assigns. Either party may suspend (or if such suspension continues for more than thirty (30) days, terminate) its obligations (except the obligation to pay for services previously rendered) under the Engagement Letter or any amendment or Change Order, if such obligations are delayed, prevented, or rendered impractical or impossible due to circumstances beyond its reasonable control, including, without limitation, fires, floods, storms, washouts, tsunamis, earthquakes, wars (declared or undeclared), civil disturbances, accidents, terrorist acts (including biochemical attacks), health pandemics, acts of any governmental body, damage to its plants and equipment, computer network problems caused by any Internet Service Provider or telecommunications company servicing Wipfli and/or Client, or acts of God or events beyond a party's control (collectively referred to herein as "Force Majeure"). Each party will use reasonable efforts to promptly minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event. In such event, the affected party will not be liable to the other for delay or failure to perform its obligations under this Engagement Letter.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 1 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on August 14, 1985. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

On November 7, 2000, the District's voters authorized total indebtedness of \$113,000,000 for construction of public improvements and operations and maintenance expenditures and \$113,000,000 for debt refunding. Legal counsel has advised the Board that because of the length of time that has passed since the 2000 authorization, they should not rely upon the validity of the 2000 authorization with respect to unissued debt. The Board has adopted this position and does not consider the 2000 authorization to be valid with respect to unissued debt.

On November 2, 2004, the District's voters authorized an additional total indebtedness of \$1,350,000,000 for construction of public improvements and operations and maintenance expenditures. The District's voters also authorized an additional total indebtedness of \$150,000,000 for debt refunding, and \$300,000,000 each for intergovernmental agreements and for multiple fiscal year obligations. Additionally, on November 2, 2004, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by the District to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 (using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material).

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues (Continued)**

**Property Taxes (Continued)**

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property decreases to 27.90% from 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

Pursuant to the Operations Financing IGA between the District and Prairie Center Metropolitan District No. 3 (Operating District), the District is obligated to transfer property taxes derived from an Operation and Maintenance mill levy together with specific ownership taxes to the Operating District to pay for management costs.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2024, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 2, formerly Diedrichs Farms Metropolitan District (District), is a quasi-municipal corporation and is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 14, 2002. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

During elections held on May 7, 2002, November 2, 2004, November 1, 2005, and May 2, 2006, a majority of the District's electors authorized, in total, general obligation indebtedness of \$8,377,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues and Expenditures**

The District does not anticipate any financial activity in 2024.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**This information is an integral part of the accompanying budget.**

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 4  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 4 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 5, 6, 7, 8, 9 and 10.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 4  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes (Continued)**

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property decreases to 27.90% from 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

Pursuant to a Capital Pledge Agreement with Prairie Center Metropolitan District No. 3 (Operating District), the District is obligated to impose annually in each of the years 2006-2030 a mill levy of 25.000 mills, subject to certain adjustments, and remit property tax revenues derived from such mill levy, together with facilities fees and a portion of specific ownership taxes, to the Operating District to pay for the principal and interest on bonds issued by the Operating District. Further, a Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

**Debt and Leases**

Except for the District's pledge to transfer to the Operating District the revenues described above for payment of bonds issued by the Operating District, the District has no other outstanding debt, nor any operating or capital leases.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 6  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 6 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 4, 5, 7, 8, 9 and 10.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 6  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes (Continued)**

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at to 27.90% from 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

A Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2024, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 10  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 10 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 4, 5, 6, 7, 8 and 9.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 10  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes (Continued)**

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at to 27.90% from 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

A Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2024, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

Pursuant to authority given by law or regulation, we may be requested to make certain workpapers available to a regulator for its regulatory oversight purposes. The district does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. CLA expressly understands and agrees that the district's obligations under this MSA shall extend only to monies appropriated for the purposes of this MSA by the board of directors and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this MSA shall be construed or interpreted as a delegation of governmental powers by the district, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the district or statutory debt limitation, including, without limitation, Article X, Section 20 or Article XI, Section 6 of the Constitution of the State of Colorado. No provision of this MSA shall be construed to pledge or to create a lien on any class or source of district funds. The district's obligations under this MSA exist subject to annual budgeting and appropriations, and shall remain subject to the same for the entire term of this MSA.

#### **Governmental Immunity**

Nothing in this MSA shall be construed to waive, limit, or otherwise modify, in whole or in part, any governmental immunity that may be available by law to the district, its respective officials, employees, contractors, or agents, or any other person acting on behalf of the district and, in particular, governmental immunity afforded or available to the district pursuant to the Colorado Governmental Immunity Act, §§ 24-10-101, et seq., C.R.S.

The MSA, and any other documents requiring a signature hereunder, may be signed electronically by the parties in a manner acceptable to the district. The parties agree not to deny the legal effect or enforceability of the MSA solely because it is in electronic form or because an electronic record was used in its formation. The parties agree not to object to the admissibility of the MSA in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

**MSA Modification**

The MSA may not be amended, altered, or otherwise changed except by a written agreement signed by authorized representatives of the parties.

**Termination of MSA**

Either party may terminate this MSA at any time by giving 30 days written notice to the other party. In that event, the provisions of this MSA shall continue to apply to all services rendered prior to termination.
