## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#### **How to contact CliftonLarsonAllen LLP:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#### **How to contact CliftonLarsonAllen LLP:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

### **Acknowledging your access and consent to receive and sign documents electronically**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#### **How to contact CliftonLarsonAllen LLP:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to [BusinessTechnology@CLAconnect.com](mailto:BusinessTechnology@CLAconnect.com) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:

Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

3. That regular meetings of the District Board for the year 2023 shall be held on December \_\_, 2023 at 4:00 pm, via Zoom.

4. That special meetings of the District Board shall be held as often as the needs of the District require, upon notice to each director.

5. That, until circumstances change, and a future resolution of the District Board so designates, the physical location and/or method or procedure for attending meetings of the District Board virtually (including the conference number or link) shall appear on the agenda(s) of said meetings.

6. That the residents and taxpaying electors of the District shall be given an opportunity to object to the meeting(s) physical location(s), and any such objections shall be considered by the District Board in setting future meetings.

- G. The provisions of Section 32-1-903(1.5), C.R.S., may be waived if: (1) the proposed change of the physical location of a meeting of the board appears on the agenda of a meeting; and (2) a resolution is adopted by the board stating the reason for which meetings of the board are to be held in a physical location other than under Section 32-1-903(1.5), C.R.S., and further stating the date, time and physical location of such meeting.

Prairie Center Metropolitan District No. 1

Greenwood Village, CO 80111

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 1 (“Client”) for the year ended December 31, 2022. This letter, together with the attached Professional Services Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and are collectively referred to herein as the “Letter” or the “Engagement Letter”.

### Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$3,000. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

### Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2022, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

#### **Responsibilities of Management for the Financial Statements**

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

### Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

### Management Assistance

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

### Engagement Partner

Greg Livin will be your audit engagement partner.

### Other Services

We may prepare (or assist in preparing) Client financial statements in conformity with GAAP based on information provided by management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

(ii) terminate the subcontract with the subcontractor if, within three (3) days of receiving notice required pursuant to C.R.S. 8-17.5-102(2)(b)(III)(A) that Wipfli LLP has actual knowledge that the subcontractor is employing or contracting with a worker without authorization, the subcontractor does not stop employing or contracting with the worker without authorization.

Wipfli LLP shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with a worker without authorization.

**1. Entire Agreement**

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendixes and applicable Change Orders, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client and any non-disclosure or confidentiality agreement between Wipfli and Client dated prior to the date of the Engagement Letter. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), Implementation Plan, Change Orders, and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict among the express provisions of the foregoing, the Engagement Letter shall be given controlling effect. No provision of these terms and conditions will apply to any attest services that may be performed by Wipfli for Client if such provision would impair Wipfli’s independence from Client requiring pursuant to applicable professional standards, such services being governed exclusively by the Engagement Letters issued with respect thereto. Wipfli may be referred to herein as “we” or “us” or in a similar manner, and Client may be referred to as “you” or in a similar manner, and such references shall be read in context.

**2. Commencement and Term**

The Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

**3. Termination of Agreement**

The Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding, (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in the Engagement Letter or Change Order (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of the Engagement Letter shall have no effect on either party’s obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement with immediate effect if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**4. Fee Estimates and Change Orders**

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or services. Wipfli provides fee estimates as an accommodation to Client. These estimates depend on certain assumptions, including: (a) anticipated cooperation from Client personnel, (b) timely responses to our inquiries, (c) timely completion and delivery of Client assistance requests, (d) timely communication of all significant accounting and financial reporting matters, (e) the assumption that unexpected circumstances will not be encountered during the engagement, and (f) where applicable, the assumption that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

Services that fall outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order, or, if the nature and amount of such services are not material to the overall engagement, shall be delineated and included on Wipfli’s invoice for such services. A “Change Order” means a mutually agreed-upon change in the schedule or the time for Wipfli’s performance of the services on a project, the scope of specifications of a project, and/or the fees chargeable by Wipfli to Client, which is reduced to writing using an agreed-upon form that is executed by an authorized representative of each for Wipfli and Client.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the service will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; technology fees; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

**5. Payment of Fees**

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, services may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue services in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops services or withdraws from this engagement as a result of Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli shall not be liable to Client for any damages that occur whether direct or indirect, foreseen or unforeseen, and whether or not the parties have been advised of the possibility of such damages.

In the event Wipfli is required to respond to a subpoena, court order, government regulatory inquiries, or other legal process related to Client or its management (other than a matter in which Wipfli is named as a party) for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs, including attorney’s fees, that we incur. Any services under this paragraph will be deemed a separate engagement and, to the extent permitted by law and applicable professional standards, we will promptly notify you of the matter.

**6. Privacy and Engagement Staffing**

Wipfli expressly reserves the right to replace, in its sole discretion, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. These parties and their personnel may be located within or outside the United States. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned subsidiary based in India and contractors in the Philippines) or any of their respective affiliates. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client's information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information ("Personal Data") and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the Engagement Letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the Engagement Letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or to comply with professional standards applicable to Wipfli. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes, and Wipfli may rely on the representation that Client has obtained such consents.

Please see Wipfli's Privacy Statement located at [www.wipfli.com/privacy-statement](http://www.wipfli.com/privacy-statement) for further information.

Applicable rules in some states require that we advise you that some persons who own an interest in Wipfli may not be licensed as Certified Public Accountants and may provide services related to this engagement.

**7. Intellectual Property Rights**

Client acknowledges that Wipfli owns all intellectual property rights, title, and interest to all materials and information produced or developed by Wipfli throughout the duration of this engagement, excluding any pre-existing ownership right of Client and without implying any ownership interest in any Client materials, data or other information, all of which shall remain the property of Client. Upon completion of the services contemplated by the Engagement Letter, Wipfli grants to Client a perpetual paid-up license to use or modify, for internal purposes only, any deliverable produced by Wipfli and actually delivered to Client, provided that any use or modification of such deliverable, other

than for the stated purposes in the Engagement Letter, is not authorized. In addition, Client shall not alter or remove any of Wipfli's trademarks, copyright registration marks, patent, or other intellectual property notices applicable to any of Wipfli's goods, marketing material, or advertising media, and shall not in any way alter any of Wipfli's products. Client shall promptly notify Wipfli in writing of any infringement of Wipfli's intellectual property by third parties of which Client becomes aware. Neither party shall acquire any right, title, or interest in or to the other party's code, data, business processes, or other information to which such party may have access during the term of the engagement hereunder. All such code, data, business process and other information shall be solely and exclusively the property of the originating party.

**8. Mutual Confidentiality**

During the course of performing services, the parties may have access to information that is confidential to one another, including, without limitation, source code, documentation, specifications, databases, system design, file layouts, tool combinations, development methods, or business or financial affairs, which may incorporate business methods, marketing strategies, pricing, competitor information, product development strategies and methods, customer lists, customer information, and financial results (collectively "Confidential Information"). Confidential Information may include information received from third parties, both written and oral, that each party is obligated to treat as confidential.

Confidential Information shall not include any information that (i) is already known by the recipient party or its affiliates, free of any obligation to keep it confidential, (ii) is or becomes publicly known through no wrongful act of the receiving party or its affiliates, (iii) is received by the receiving party from a third party without any restriction on confidentiality, (iv) is independently developed by the receiving party or its affiliates, (v) is disclosed to third parties by the disclosing party without any obligation of confidentiality, or (vi) is approved for release by prior written authorization of the disclosing party.

Without the advance written consent of the other party, except as required by law, regulation, or to comply with professional standards applicable to a party or for the performance of the services, neither party shall disclose to a third party Confidential Information of the other party. Each party agrees to maintain at least the same procedures regarding Confidential Information that it maintains with respect to its own Confidential Information. Each party may use the Confidential Information received from the other party only in connection with fulfilling its obligations under this Agreement. The parties further agree that expiration or termination of this Agreement, for any reason, shall not relieve either party, nor minimize their obligations with respect to Confidential Information, as set forth herein.

**9. Independent Contractor**

The relationship between Wipfli and Client is solely and exclusively that of independently contracting parties.

**10. Non-Exclusivity**

No right of exclusivity is granted, guaranteed, or implied by Wipfli and Client entering into any engagement letter. Client acknowledges that Wipfli regularly performs the same or similar services as are being provided hereunder to third parties.

**11. Dispute Resolution**

If any dispute arises among the parties regarding the subject matter hereof and such dispute cannot be resolved through informal negotiations and discussion, the parties agree to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its applicable rules for resolving professional accounting and related services disputes before resorting to arbitration or litigation. Costs of any mediation proceeding shall be shared equally by all parties. Except for an action by us to collect payment of our invoices, Wipfli and Client

agree that no claim arising out of services rendered pursuant to the Engagement Letter or any Change Order shall be filed: (i) in the case of any report or deliverable issued by Wipfli under the Engagement Letter, no later than two years from the date of such report or deliverable (or if no report or deliverable is issued, two years from the date of the Engagement Letter), or (ii) in the case of any tax form or similar governmental filing, no later than two years after the initial due date of such tax form or filing.

**12. Governing Law**

Any and all claims relating to agreements between Wipfli and Client for any service shall be governed by and construed in accordance with the internal laws of the state in which the Wipfli office which issues the Engagement Letter related to the services is located.

**13. Severability**

In the event that any term or provision of the Engagement Letter or these Terms and Conditions shall be held to be invalid, void, or unenforceable, then the remainder shall not be affected and each remaining term or condition shall be valid and enforceable to the fullest extent permitted by law.

**14. Notices**

All notices required to be given to either party under the Engagement Letter shall be in writing and sent by traceable carrier to each party's address indicated on the Engagement Letter, or such other address as a party may indicate by at least ten (10) business days' prior written notice to the other party. Notices shall be effective upon receipt. A copy of such notice should be provided to Wipfli's General Counsel at [wipfli-legal@wipfli.com](mailto:wipfli-legal@wipfli.com).

**15. Electronic Signature**

Each party hereto agrees that any electronic signature of a party to the Engagement Letter or any electronic signature to a document contemplated hereby is intended to authenticate such writing and shall be as valid, and have the same force and effect, as a manual signature. Any such electronically signed document shall be deemed (i) to be "written" or "in writing," (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Each party hereto also agrees that electronic delivery of a signature to any such document (via email or otherwise) shall be as effective as manual delivery of a manual signature. For purposes hereof, "electronic signature" includes, but is not limited to: (i) a scanned copy (as a "pdf" (portable document format) or other replicating image) of a manual ink signature, (ii) an electronic copy of a traditional signature affixed to a document, (iii) a signature incorporated into a document utilizing touchscreen capabilities, or (iv) a digital signature. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

**16. Record Retention**

We will retain records related to this engagement pursuant to our record retention policy. At the end of the relevant time period, we will destroy our records related to this engagement. However, Client's original records will be returned to Client upon the completion of the engagement. When records are returned, it is Client's responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies.

**17. Assignment**

The Engagement Letter to which these Terms and Conditions are attached shall be binding on the parties hereto and their respective successors and assigns. Neither party may assign this Engagement Letter without prior written consent of the other, except that Wipfli may assign its rights and obligations under this Engagement Letter without the approval of Client to an entity that acquires all or substantially all of the assets of Wipfli or to any subsidiary or affiliate or successor in a merger, acquisition, or change of control

of Wipfli; provided that in no event shall such assignment relieve Wipfli of its obligations under this Engagement Letter.

**18. Force Majeure**

Either party may suspend (or if such suspension continues for more than thirty (30) days, terminate) its obligations (except the obligation to pay for services previously rendered) under the Engagement Letter or any amendment or Change Order, if such obligations are delayed, prevented, or rendered impractical or impossible due to circumstances beyond its reasonable control, including, without limitation, fires, floods, storms, washouts, tsunamis, earthquakes, wars (declared or undeclared), civil disturbances, accidents, terrorist acts (including biochemical attacks), health pandemics, acts of any governmental body, damage to its plants and equipment, computer network problems caused by any Internet Service Provider or telecommunications company servicing Wipfli and/or Client, or acts of God or events beyond a party's control (collectively referred to herein as "Force Majeure"). Each party will use reasonable efforts to promptly minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event. In such event, the affected party will not be liable to the other for delay or failure to perform its obligations under this Engagement Letter.

Prairie Center Metropolitan District No. 4  
c/o CliftonLarsonAllen LP  
8390 E. Crescent Pkwy, Suite 300  
Greenwood Village, CO 80111

We are pleased to serve as the independent auditors for Prairie Center Metropolitan District No. 4 (“Client”) for the year ended December 31, 2022. This letter, together with the attached Professional Services Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and are collectively referred to herein as the “Letter” or the “Engagement Letter”.

### Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$2,500. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

### Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2022, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

#### **Responsibilities of Management for the Financial Statements**

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

### Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

### Management Assistance

Assistance to be supplied by Client personnel, including the preparation of schedules and analysis of accounts, has been discussed with appropriate personnel. Timely completion of this work will facilitate the completion of our engagement.

### Engagement Partner

Greg Livin will be your audit engagement partner.

### Other Services

We may prepare (or assist in preparing) Client financial statements in conformity with GAAP based on information provided by management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

### Workers without Authorization

We certify that Wipfli LLP shall comply with the provisions of C.R.S. 8-17.5-101, et seq.

(i) notify the subcontractor and the District within three (3) days that Wipfli LLP has actual knowledge that the subcontractor is employing or contracting with a worker without authorization; and

(ii) terminate the subcontract with the subcontractor if, within three (3) days of receiving notice required pursuant to C.R.S. 8-17.5-102(2)(b)(III)(A) that Wipfli LLP has actual knowledge that the subcontractor is employing or contracting with a worker without authorization, the subcontractor does not stop employing or contracting with the worker without authorization.

Wipfli LLP shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with a worker without authorization.

- E. *Duty to Comply with Investigation.* Wipfli LLP shall comply with any reasonable request of the Colorado Department of Labor and Employment made in the course of an investigation that the Colorado Department of Labor and Employment is undertaking pursuant to the authority established by C.R.S. 8-17.5-102(5).
- F. *Notification.* The District shall notify the office of the Colorado Secretary of State if Wipfli LLP violates a provision of C.R.S. 8-17.5-102(2), and the District terminates the engagement for such breach. The District will notify the Colorado Secretary of State if a court made such a determination.

**1. Entire Agreement**

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendixes and applicable Change Orders, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client and any non-disclosure or confidentiality agreement between Wipfli and Client dated prior to the date of the Engagement Letter. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), Implementation Plan, Change Orders, and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict among the express provisions of the foregoing, the Engagement Letter shall be given controlling effect. No provision of these terms and conditions will apply to any attest services that may be performed by Wipfli for Client if such provision would impair Wipfli’s independence from Client requiring pursuant to applicable professional standards, such services being governed exclusively by the Engagement Letters issued with respect thereto. Wipfli may be referred to herein as “we” or “us” or in a similar manner, and Client may be referred to as “you” or in a similar manner, and such references shall be read in context.

**2. Commencement and Term**

The Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

**3. Termination of Agreement**

The Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding, (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in the Engagement Letter or Change Order (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of the Engagement Letter shall have no effect on either party’s obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement with immediate effect if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**4. Fee Estimates and Change Orders**

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or services. Wipfli provides fee estimates as an accommodation to Client. These estimates depend on certain assumptions, including: (a) anticipated cooperation from Client personnel, (b) timely responses to our inquiries, (c) timely completion and delivery of Client assistance requests, (d) timely communication of all significant accounting and financial reporting matters, (e) the assumption that unexpected circumstances will not be encountered during the engagement, and (f) where applicable, the assumption that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

Services that fall outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order, or, if the nature and amount of such services are not material to the overall engagement, shall be delineated and included on Wipfli’s invoice for such services. A “Change Order” means a mutually agreed-upon change in the schedule or the time for Wipfli’s performance of the services on a project, the scope of specifications of a project, and/or the fees chargeable by Wipfli to Client, which is reduced to writing using an agreed-upon form that is executed by an authorized representative of each for Wipfli and Client.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the service will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; technology fees; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

**5. Payment of Fees**

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, services may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue services in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops services or withdraws from this engagement as a result of Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli shall not be liable to Client for any damages that occur whether direct or indirect, foreseen or unforeseen, and whether or not the parties have been advised of the possibility of such damages.

In the event Wipfli is required to respond to a subpoena, court order, government regulatory inquiries, or other legal process related to Client or its management (other than a matter in which Wipfli is named as a party) for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs, including attorney’s fees, that we incur. Any services under this paragraph will be deemed a separate engagement and, to the extent permitted by law and applicable professional standards, we will promptly notify you of the matter.

**6. Privacy and Engagement Staffing**

Wipfli expressly reserves the right to replace, in its sole discretion, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. These parties and their personnel may be located within or outside the United States. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned subsidiary based in India and contractors in the Philippines) or any of their respective affiliates. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client's information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information ("Personal Data") and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the Engagement Letter. When providing any Personal Data to us, Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all Personal Data that is not necessary to perform the professional services described in the Engagement Letter. Any Personal Data provided to us by Client will be kept confidential and not disclosed to any third party not described above (parties providing us assistance in rendering professional services) unless expressly permitted by Client or required by law, regulation, legal process, or to comply with professional standards applicable to Wipfli. Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided Client with their personal information, which will be obtained, used, and disclosed by Wipfli for its required purposes, and Wipfli may rely on the representation that Client has obtained such consents.

Please see Wipfli's Privacy Statement located at [www.wipfli.com/privacy-statement](http://www.wipfli.com/privacy-statement) for further information.

Applicable rules in some states require that we advise you that some persons who own an interest in Wipfli may not be licensed as Certified Public Accountants and may provide services related to this engagement.

**7. Intellectual Property Rights**

Client acknowledges that Wipfli owns all intellectual property rights, title, and interest to all materials and information produced or developed by Wipfli throughout the duration of this engagement, excluding any pre-existing ownership right of Client and without implying any ownership interest in any Client materials, data or other information, all of which shall remain the property of Client. Upon completion of the services contemplated by the Engagement Letter, Wipfli grants to Client a perpetual paid-up license to use or modify, for internal purposes only, any deliverable produced by Wipfli and actually delivered to Client, provided that any use or modification of such deliverable, other

than for the stated purposes in the Engagement Letter, is not authorized. In addition, Client shall not alter or remove any of Wipfli's trademarks, copyright registration marks, patent, or other intellectual property notices applicable to any of Wipfli's goods, marketing material, or advertising media, and shall not in any way alter any of Wipfli's products. Client shall promptly notify Wipfli in writing of any infringement of Wipfli's intellectual property by third parties of which Client becomes aware. Neither party shall acquire any right, title, or interest in or to the other party's code, data, business processes, or other information to which such party may have access during the term of the engagement hereunder. All such code, data, business process and other information shall be solely and exclusively the property of the originating party.

**8. Mutual Confidentiality**

During the course of performing services, the parties may have access to information that is confidential to one another, including, without limitation, source code, documentation, specifications, databases, system design, file layouts, tool combinations, development methods, or business or financial affairs, which may incorporate business methods, marketing strategies, pricing, competitor information, product development strategies and methods, customer lists, customer information, and financial results (collectively "Confidential Information"). Confidential Information may include information received from third parties, both written and oral, that each party is obligated to treat as confidential.

Confidential Information shall not include any information that (i) is already known by the recipient party or its affiliates, free of any obligation to keep it confidential, (ii) is or becomes publicly known through no wrongful act of the receiving party or its affiliates, (iii) is received by the receiving party from a third party without any restriction on confidentiality, (iv) is independently developed by the receiving party or its affiliates, (v) is disclosed to third parties by the disclosing party without any obligation of confidentiality, or (vi) is approved for release by prior written authorization of the disclosing party.

Without the advance written consent of the other party, except as required by law, regulation, or to comply with professional standards applicable to a party or for the performance of the services, neither party shall disclose to a third party Confidential Information of the other party. Each party agrees to maintain at least the same procedures regarding Confidential Information that it maintains with respect to its own Confidential Information. Each party may use the Confidential Information received from the other party only in connection with fulfilling its obligations under this Agreement. The parties further agree that expiration or termination of this Agreement, for any reason, shall not relieve either party, nor minimize their obligations with respect to Confidential Information, as set forth herein.

**9. Independent Contractor**

The relationship between Wipfli and Client is solely and exclusively that of independently contracting parties.

**10. Non-Exclusivity**

No right of exclusivity is granted, guaranteed, or implied by Wipfli and Client entering into any engagement letter. Client acknowledges that Wipfli regularly performs the same or similar services as are being provided hereunder to third parties.

**11. Dispute Resolution**

If any dispute arises among the parties regarding the subject matter hereof and such dispute cannot be resolved through informal negotiations and discussion, the parties agree to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its applicable rules for resolving professional accounting and related services disputes before resorting to arbitration or litigation. Costs of any mediation proceeding shall be shared equally by all parties. Except for an action by us to collect payment of our invoices, Wipfli and Client

agree that no claim arising out of services rendered pursuant to the Engagement Letter or any Change Order shall be filed: (i) in the case of any report or deliverable issued by Wipfli under the Engagement Letter, no later than two years from the date of such report or deliverable (or if no report or deliverable is issued, two years from the date of the Engagement Letter), or (ii) in the case of any tax form or similar governmental filing, no later than two years after the initial due date of such tax form or filing.

**12. Governing Law**

Any and all claims relating to agreements between Wipfli and Client for any service shall be governed by and construed in accordance with the internal laws of the state in which the Wipfli office which issues the Engagement Letter related to the services is located.

**13. Severability**

In the event that any term or provision of the Engagement Letter or these Terms and Conditions shall be held to be invalid, void, or unenforceable, then the remainder shall not be affected and each remaining term or condition shall be valid and enforceable to the fullest extent permitted by law.

**14. Notices**

All notices required to be given to either party under the Engagement Letter shall be in writing and sent by traceable carrier to each party's address indicated on the Engagement Letter, or such other address as a party may indicate by at least ten (10) business days' prior written notice to the other party. Notices shall be effective upon receipt. A copy of such notice should be provided to Wipfli's General Counsel at [wipfli-legal@wipfli.com](mailto:wipfli-legal@wipfli.com).

**15. Electronic Signature**

Each party hereto agrees that any electronic signature of a party to the Engagement Letter or any electronic signature to a document contemplated hereby is intended to authenticate such writing and shall be as valid, and have the same force and effect, as a manual signature. Any such electronically signed document shall be deemed (i) to be "written" or "in writing," (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Each party hereto also agrees that electronic delivery of a signature to any such document (via email or otherwise) shall be as effective as manual delivery of a manual signature. For purposes hereof, "electronic signature" includes, but is not limited to: (i) a scanned copy (as a "pdf" (portable document format) or other replicating image) of a manual ink signature, (ii) an electronic copy of a traditional signature affixed to a document, (iii) a signature incorporated into a document utilizing touchscreen capabilities, or (iv) a digital signature. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

**16. Record Retention**

We will retain records related to this engagement pursuant to our record retention policy. At the end of the relevant time period, we will destroy our records related to this engagement. However, Client's original records will be returned to Client upon the completion of the engagement. When records are returned, it is Client's responsibility to retain and protect the records for possible future use, including potential examination by governmental or regulatory agencies.

**17. Assignment**

The Engagement Letter to which these Terms and Conditions are attached shall be binding on the parties hereto and their respective successors and assigns. Neither party may assign this Engagement Letter without prior written consent of the other, except that Wipfli may assign its rights and obligations under this Engagement Letter without the approval of Client to an entity that acquires all or substantially all of the assets of Wipfli or to any subsidiary or affiliate or successor in a merger, acquisition, or change of control

of Wipfli; provided that in no event shall such assignment relieve Wipfli of its obligations under this Engagement Letter.

**18. Force Majeure**

Either party may suspend (or if such suspension continues for more than thirty (30) days, terminate) its obligations (except the obligation to pay for services previously rendered) under the Engagement Letter or any amendment or Change Order, if such obligations are delayed, prevented, or rendered impractical or impossible due to circumstances beyond its reasonable control, including, without limitation, fires, floods, storms, washouts, tsunamis, earthquakes, wars (declared or undeclared), civil disturbances, accidents, terrorist acts (including biochemical attacks), health pandemics, acts of any governmental body, damage to its plants and equipment, computer network problems caused by any Internet Service Provider or telecommunications company servicing Wipfli and/or Client, or acts of God or events beyond a party's control (collectively referred to herein as "Force Majeure"). Each party will use reasonable efforts to promptly minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event. In such event, the affected party will not be liable to the other for delay or failure to perform its obligations under this Engagement Letter.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 1 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on August 14, 1985. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, drainage improvements, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

On November 7, 2000, the District's voters authorized total indebtedness of \$113,000,000 for construction of public improvements and operations and maintenance expenditures and \$113,000,000 for debt refunding. Legal counsel has advised the Board that because of the length of time that has passed since the 2000 authorization, they should not rely upon the validity of the 2000 authorization with respect to unissued debt. The Board has adopted this position and does not consider the 2000 authorization to be valid with respect to unissued debt.

On November 2, 2004, the District's voters authorized an additional total indebtedness of \$1,350,000,000 for construction of public improvements and operations and maintenance expenditures. The District's voters also authorized an additional total indebtedness of \$150,000,000 for debt refunding, and \$300,000,000 each for intergovernmental agreements and for multiple fiscal year obligations. Additionally, on November 2, 2004, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by the District to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 (using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material).

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues (Continued)**

**Property Taxes (Continued)**

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**General and Administrative Expenditures**

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the costs of services necessary to maintain the District's administrative viability such as accounting, managerial, insurance, and other administrative expenses.

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

The Boards of District Nos. 1 and 3 have determined that it is in the respective Districts' best interest that District No. 1 impose 60.000 mills and remit the revenues, net of fees and administrative expenditures, to District No. 3 as consideration for the benefits derived from the public improvements constructed, operated and maintained by District No. 3 which benefit the service area.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 1

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 4  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 4 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 5, 6, 7, 8, 9 and 10.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes (Continued)**

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

Pursuant to a Capital Pledge Agreement with Prairie Center Metropolitan District No. 3 (Operating District), the District is obligated to impose annually in each of the years 2006-2030 a mill levy of 25.000 mills, subject to certain adjustments, and remit property tax revenues derived from such mill levy, together with facilities fees and a portion of specific ownership taxes, to the Operating District to pay for the principal and interest on bonds issued by the Operating District. Further, a Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 4  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 10  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prairie Center Metropolitan District No. 10 (District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. The District was formed by order and decree of the District Court for Adams County on May 22, 2006. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including streets, transportation, traffic and safety controls, park and recreation facilities, water, sewer, television relay and translator and mosquito and pest control services.

Concurrently with the formation of the District, the City approved service plans for Prairie Center Metropolitan District Nos. 3, 4, 5, 6, 7, 8 and 9.

During elections held on May 2, 2006, a majority of the District's electors authorized general obligation indebtedness of \$6,790,000,000, for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on May 2, 2006, the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The Service Plans for District Nos. 2 – 10 limit the aggregate amount of debt that they may issue together with any debt issued by District No. 1 to \$750,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**PRAIRIE CENTER METROPOLITAN DISTRICT NO. 10  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes (Continued)**

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Transfer to Prairie Center Metropolitan District No. 3**

A Facilities Funding, Construction and Operations Agreement with all other Districts obligates the District to transfer net property taxes derived from an Operation and Maintenance mill levy, together with a portion of specific ownership taxes, to the Operating District to pay for general and administrative expenditures.

**Debt and Leases**

The District has no outstanding debt, nor any operating or capital leases.

**Reserves**

**Emergency Reserve**

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR, because net tax revenue is transferred to Prairie Center Metropolitan District No. 3, the Operating District, which provides for the required reserve amount.

We will not audit or otherwise verify the accuracy or completeness of the information we receive from you for the preparation of the payroll and related returns, and our engagement cannot be relied upon to uncover errors or irregularities in the underlying information. However, we will inform the board of directors of the district of any material errors and of any evidence or information that comes to our attention during the performance of our payroll preparation services that fraud may have occurred. In addition, we will inform you of any evidence or information that comes to our attention during the performance of our payroll preparation services regarding illegal acts that may have occurred, unless they are clearly inconsequential. We have no responsibility to identify deficiencies in your internal control as part of this engagement but will promptly report them to the board of directors of the district if identified. You agree that we shall not be responsible for any misstatements in your payroll that we may not identify as a result of misrepresentations made to us by you.

Our payroll preparation services will include electronically transmitting information to taxing authorities and your financial institution to facilitate the electronic transfer of funds. Authorizations for us to provide these services will be made in separate communications.

Our payroll preparation services will include transmitting federal Form W-2, federal Form 1099, and payroll data forms to federal and state taxing authorities on your behalf. Authorizations for us to provide these services will be made in separate communications.

### **Your responsibilities**

It is your responsibility to provide us with all of the information needed to prepare complete and accurate payrolls and returns. We will have no obligations with regard to a particular payroll or withholding taxes and filing returns in a particular state or local tax jurisdiction until you have provided such information to us. All necessary information should be provided to us within two days of the close of each payroll period or no later than two days prior to your payroll check date. A list of information we will require and the dates required will be provided in a separate communication.

For all nonattest services we may provide to you, including these payroll services, management agrees to assume all management responsibilities; oversee the services; by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services.

Specifically, your responsibilities include:

- Accuracy of information used in the preparation of the payrolls.
- Careful review of paychecks or pay-stubs, and payroll journals for each periodic payroll.
- Accuracy of information used in the preparation and filing of all government forms.
- Review and pre-approval of each electronic funds transfer initiated on your behalf for employee net pay amounts, payroll tax and withholding liabilities, and related benefit amounts.

You are responsible to carefully review the paper returns that we prepare on your behalf before signing and submitting them to tax authorities. You are responsible to review the paper copies of payroll forms and tax returns that were filed electronically on your behalf. We will advise you with regard to tax positions taken in the preparation of the payroll forms and tax returns, but the responsibility for the payroll forms and tax returns remains with you.

You are also responsible for the payment of payroll tax and withholding liabilities. Therefore, the Internal Revenue Service recommends that you enroll in the U.S. Department of the Treasury Electronic Federal Tax Payment System (EFTPS) to monitor your account and ensure that timely tax payments are being made for you. You may enroll in the EFTPS online at [www.eftps.gov](http://www.eftps.gov), or call 800-555-4477 for an enrollment form. Individual states have similar programs that allow you to monitor your account. A list of links by state is provided online at <http://www.americanpayroll.org/weblink/statelocal-wider/>.

We will also bill for expenses (including internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees billed. Other than annual adjustments reflecting inflation, our professional fees will not fluctuate unless there is a significant change in the number of employees, taxing jurisdictions, or in the services you wish for us to provide. If such changes should occur, we will discuss any fee adjustments with you prior to making any changes to your billing. Our fee for such services will be billed to you separately, along with any direct costs.

#### **Record retention**

You are responsible for retaining all documents, records, payroll journals, canceled checks, receipts, or other evidence in support of information and amounts reported in your payroll records and on your quarterly and calendar year-end payroll forms and tax returns. These items may be necessary in the event the taxing authority examines or challenges your returns. These records should be kept for at least seven years. Your copy of the payroll forms and tax returns should be retained indefinitely.

In preparing the payrolls, payroll forms, and tax returns, we rely on your representation that you understand and have complied with these documentation requirements. You are responsible for the proper recording of transactions in the books of accounts, for the safeguarding of assets, and for the substantial accuracy of your financial records.

All of the records that you provide to us to prepare your payrolls and related forms and tax returns will be returned to you after our use. Our working papers, including any copies of your records that we chose to make, are our property and will be retained by us in accordance with our established records retention policy. This policy states, in general, that we will retain our working papers for a period of seven years. After this period expires, our working papers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time our records are available. The working papers and files of our firm are not a substitute for the records of you.

These additional services are not included in our fees for the preparation of the payroll and related federal and state forms and tax returns.

We will base our tax analysis and conclusions on the facts you provide to us, and will not independently verify those facts. We will review the applicable tax law, tax regulations, and other tax authorities, all of which are subject to change. At your request, we will provide a memorandum of our conclusions. Written advice provided by us is for your information and use only and is not to be provided to any third party without our express written consent.

Unless we are separately engaged to do so, we will not continuously monitor and update our advice for subsequent changes or modifications to the tax law and regulations, or to the related judicial and administrative interpretations.

Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

The Internal Revenue Code contains a limited privilege for confidentiality of tax advice between you and our firm. In addition, the laws of some states likewise recognize a confidentiality privilege for some accountant-client communications. You understand that CLA makes no representation, warranty or promise, and offers no opinion with respect to the applicability of any confidentiality privilege to any information supplied or communications you have with us, and, to the extent that we follow instructions from you to withhold such information or communications in the face of a request from a third party (including a subpoena, summons or discovery demand in litigation), you agree to hold CLA harmless should the privilege be determined not to apply to particular information or communications.

You also agree to be solely responsible for providing legally sufficient substantiation, evidence, or support for any reports or information supplied by you to any governmental or regulatory body, or for any insurance reimbursement in the event that you is requested to do so by any lawful authority. Each of the Operating District and the Taxing District were organized with the approval of their respective electors, and their respective Service Plans were prepared pursuant to Sections 32-1-201, C.R.S., et seq., as amended (the “**Special District Act**”) and all required governmental approvals have been obtained therefor.

B. C. The Taxing District, together with Prairie Center Metropolitan District No. 2 (“**District No. 2**”), the City of Brighton, Colorado, the City of Brighton Water, Sewer and Drainage Enterprise, THF Prairie Center Retail One, L.L.C., and THF Prairie Center Development, L.L.C., entered into that certain Comprehensive Funding Plan, Master Development Agreement, Pre-Annexation Agreement and Intergovernmental Agreement for Prairie Center, Brighton, Colorado, dated December 5, 2005, and recorded on December 16, 2005, in the real property records of Adams County, Colorado, at Reception No. 20051216001378220 (“**Comprehensive Agreement**”), which Comprehensive Agreement anticipated the organization of the Operating District and certain other metropolitan districts for the purpose of coordinating their activities with the Taxing District and District No. 2 with respect to the financing, construction, operation and maintenance of public improvements necessary to serve development within their common Service Area (as defined herein). The purposes for which the Districts were formed include the provision of water, drainage, street, traffic and safety, park and recreation, and sanitation facilities, programs, and services, all in accordance with the Service Plans. Pursuant to that certain Assignment of Comprehensive Agreement, the Taxing District and District No. 2 assigned to the Operating District and the Operating District assumed certain of the rights and obligations of the Taxing District and District No. 2 thereunder.

D. As anticipated by the Comprehensive Agreement, Prairie Center Metropolitan District Nos. 3, 4, 5, 6, 7, 8, 9 (which was subsequently dissolved) and 10 were organized pursuant to Service Plans approved by the City.

E. Pursuant to the Colorado Constitution, Article XIV, Section 18(2)(a), and Section 29-1-203, C.R.S., metropolitan districts may cooperate or contract with each other to provide any function, service, or facility lawfully authorized to each, and any such contract may provide for the sharing of costs, the imposition of taxes, and the incurring of debt notwithstanding any provision of law limiting the length of the financial contracts or obligations of governments.

F. Pursuant to a Facilities Funding, Construction, and Operations Agreement dated as of December 1, 2006 (as amended or supplemented, the "**FFCO**"), the Operating District, District No. 2 and Prairie Center Metropolitan District Nos. 4-10 (District Nos. 2 and 4-10, collectively, the "**Related Districts**") have agreed to cooperate to provide, operate and maintain certain public infrastructure benefiting the Service Area (as defined below), which Service Area includes property within the Taxing District.

G. As more specifically set forth in the FFCO, the Operating District provides "**District Administration**" services (as defined in Article 5 of the FFCO, such definition herein incorporated by this reference) and "**Project Administration**" services (as defined in Article 6 of the FFCO, such definition herein incorporated by this reference, and together with District Administration, the "**Services**") to and on behalf of the Related Districts.

H. In order to avoid duplication of Services and achieve cost efficiencies and in consideration of the benefits provided by the Project (as defined below) to property and property owners within the Taxing District, the Taxing District desires to enter into this Agreement with the Operating District to establish the terms pursuant to which the Operating District will provide Services to and on behalf of the Taxing District and the Taxing District will provide compensation therefor.

(a) **Budget Determination.** The Operating District shall annually determine the Management Engagement budget in accordance with the provisions of Article 8 of the FFCOA and, from such budget, will determine the Allocated Management Costs for the Taxing District and each of the Related Districts.

(b) **Allocated Management Costs.** The Allocated Management Costs for the Taxing District shall be the total amount of revenue determined by the Operating District as necessary to pay Management Costs in each Fiscal Year, allocated pro-rata to the Taxing District based upon the amount of tax revenue generated by the Taxing District as a result of imposition of its Operations Levy together with any Specific Ownership Taxes received by the Taxing District as a result of its Operations Levy.

(c) **Reimbursable Management Costs.** The Taxing District acknowledges the Operating District has incurred the Reimbursable Management Costs and that such Reimbursable Management Costs remain outstanding as of the date of execution of this Agreement and shall be included by the Operating District in the Allocated Management Costs.

3. **Funding Obligation.**

(a) **Pledge of Revenues.**

(i) It shall be the duty of the Taxing District’s Board of Directors, annually, at the time and in the manner provided by law for the levying of the Taxing District’s taxes, to ratify and carry out the provisions of this Agreement regarding certification of the Operations Levy and collection of the ad valorem property taxes generated therefrom, and to require and direct the officers of the Taxing District to cause the appropriate officials of Adams County, Colorado, to levy, extend and collect said taxes in the manner provided by law. Said taxes, when collected, shall be applied by the Operating District only to the payment of the Taxing District’s Allocated Management Costs under this Agreement.

(ii) The Taxing District agrees to impose and collect the Pledged Revenues and to remit such revenues within thirty (30) days of receipt to the Operating District for payment of the Taxing District’s Allocated Management Costs.

Additionally, the Operating District shall provide the Taxing District with an annual audit of such accounting records.

4. **Review Committee.** [Reserved. Not sure this is essential since giving District No. 1 a seat on the Review Committee implicates the rights of the other Districts. This agreement benefits the other Districts to the extent that it reduces their allocated costs and nothing in the FFCO contemplates/requires District No. 1 to contribute anything. Inserting District No. 1 into the FFCO dispute resolution process could be interpreted as reducing the rights of the other Districts. Could we just have a dispute resolution process between D1 and D3? Another work-around might be to have the Related Districts acknowledge and agree to include D1 in any review committee in consideration of the benefits derived from having D1 pledge revenues to pay its allocated costs. Your thoughts?]\

5. **Events of Non-Compliance.** The occurrence or existence of any one or more of the following events shall be an "Event of Non-Compliance" hereunder, and there shall be no default or Event of Non-Compliance hereunder except as provided in this Section:

(c) A Party fails in the performance of any other of its covenants in this Agreement, and such failure continues for sixty (60) days after written notice specifying such default and requiring the same to be remedied is given to the defaulting Party;

(d) A Party commences proceedings for dissolution or consolidation with another metropolitan district during the term of this Agreement;

(e) A Party shall commence any case, proceeding, or other action (A) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, or relief of debtors, seeking to have an order for relief entered with respect to it or seeking to

adjudicate it insolvent or a bankrupt or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition, or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, or other similar official for itself or for any substantial part of its property, or a Party shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against a Party any case, proceeding, or other action of a nature referred to in clause (i) and the same shall remain not dismissed within ninety (90) days following the date of filing; or (iii) there shall be commenced against a Party any case, proceeding, or other action seeking issuance of a warrant of attachment, execution, distraint, or similar process against all or any substantial part of its property which results in the entry of an order for any such relief which shall not have been vacated, discharged, stayed, or bonded pending appeal within ninety (90) days from the entry thereof; or (iv) a Party shall take action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) a Party shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

(f) **Remedies For Events of Non-Compliance.** Upon the occurrence and continuance of an Event of Non-Compliance, any Party may proceed to protect and enforce its rights against the Party causing the Event of Non-Compliance by mandamus or such other suit, action, or special proceedings in equity or at law, in any court of competent jurisdiction, including an action for specific performance. In the event of any litigation or other proceeding to enforce any of the terms, covenants or conditions hereof, the prevailing Party in such litigation or other proceeding shall obtain, as part of its judgment or award, its reasonable attorneys' fees and costs.

(c) This Agreement is the valid and binding obligation of the Party and is enforceable in accordance with its terms.

(d) The Party shall keep and perform all of the covenants and agreements contained herein and shall take no action which could have the effect of rendering this Agreement unenforceable in any manner.

In accordance with the Management Agreement (“Agreement”) between the District and Special District Management Services, Inc. (“SDMS”), at the time of the annual renewal of the Agreement, the hourly rate described in Article III for management and all services shall increase by the CPI (8.5%) per hour.

We hope you will understand that it is necessary to increase our rates due to increasing gas and operating costs along with new laws and rules implemented by our legislature.

Dear Client:

Our Firm prides itself on providing the highest level of service in the most efficient manner. In the current economic environment, we are facing increased costs in all areas of the business. In order to continue to provide consistent high-level service we have found it necessary to implement a rate increase.

In accordance with the Firm's fee engagement letter, this letter is to advise you that effective January 1, 2023, the hourly rates of selected attorneys and staff will be adjusted. Hourly rates will be as follows: Shareholders \$425 - \$550; Of Counsel \$380 - \$425; Associates \$275 - \$375; Paralegals and Directors \$225 - \$240; Law Clerks \$150; File Clerks \$30.

Commencing on January 1, 2023, we will begin charging most costs incurred on your behalf as an administrative fee equal to 1% of the legal fees charged in a given month. This fee includes such costs as long-distance telephone calls, research requiring a subscription database, in-office photocopies and faxes, ordinary postage, and messenger and delivery services, and includes a small overhead component. This fee may be adjusted with notice.

This fee is based on our historic experience, as well as client feedback, that invoices that itemize every photocopy, fax, and delivery charge are confusing. Any advances made on behalf of the client as well as major costs, such as major travel expenses, application/submittal/recording fees, election expenses, court costs, publication costs, express delivery, and conference calls and videoconferencing where a third-party provider is used, will be separately invoiced at our actual cost. If you have any questions or concerns about this change, please let us know.

We appreciate your continued trust and confidence in our Firm and look forward to representing your interests in 2023 and beyond.

Very truly yours,

McGEADY BECHER P.C.
